Camper/Participant Name: _____ Camp Number: _____

Camp Name: _____ Camp Dates: _____

Please read and send this completed form to the Camp Office prior to your arrival to camp: 2577 Idaho RD Ottawa KS 66067. This form is necessary for all participants to complete, and in making the best and safest possible camp experience for all of our participants.

Activity Permission Form

I understand that my camper's/or my own participation in activities at Camp Chippewa is completely voluntary and I have familiarized myself with the camp's program and activities in which my camper's/myself may be participating in.

I recognize that certain hazards and dangers are inherent in any activities, and this includes activities at Camp Chippewa. These activities include, but are not limited to: bicycling/living waters (travel camps), archery, swimming, canoeing, pedal boating, low ropes, and horseback riding, and I acknowledge that although Camp Chippewa has taken safety measures to minimize the risk of injury to camp participants, they cannot insure nor guarantee that the participants, equipment, premises, and/or activities will be free of hazards, accidents, and/or injuries. Safety equipment will be worn at all activities requiring additional equipment: Life vest at Canoe/Pedal Boats, helmet/boots/long pants for Trail Rides. Policies will be followed as posted in all activity areas, which includes a 250 lb. weight limit for some activities.

I understand that this Camp chooses its horses for their calm disposition and sound basic training and that this Camp follows a rigid risk reduction program. Yet no horse is a completely safe horse. Any horse can, at any moment revert from its training and act on its natural instincts. These could include, but are not limited to, bucking, shying, rearing, biting, and/or bolting. Horseback riding is classified as a "rugged adventure sport activity," and there are numerous obvious and non-obvious risks always present in such an activity despite all the safety precautions. My participation in the activity may expose me to some of the following situations plus others too numerous to list: rough, slippery or wet terrain; public or private roadways; other riders, walkers or bikers; motorized and non-motorized vehicles; trees; brush; hillsides; domestic and wild animals; and sudden weather changes.

I further recognize and or have instructed my camper in the importance of knowing and abiding by the camp's rules, regulations, and procedures for the safety of camp participants.
