Kansas East Conference The United Methodist Church

January, 2011

Dear Friends,

Thank you for taking time to review the information about our Covenant with the Methodist Church of Haiti.

Annual Conference 2010 approved of this partnership. Throughout the year, we have worked to set team dates and develop educational information. We are excited to move this covenant forward.

If you have any questions or would like a speaker to come to your church, please contact me at the information below.

Peace,

Alicia VanWallegem
